

## R&D Residency Expression of Interest

Name	
Organisation (if applicable)	
Address	
Telephone	
Website	
Social Media	

Tell us about your previous projects

How would you use a BOM R&D residency? What's different about your idea?

--

BOM residencies typically last between 3 – 6 months. Tell us how long you need to develop your project and what kind of space you will need. (Please tell us here how you would engage with the public/tell us of any 'outputs', ie. Event, exhibition, workshop)

--

How could BOM help you develop your idea or research? What skills, networks and support would you need?

--

Are you applying for any funding? Have you identified or confirmed any other important partnerships that will help during this residency?

--

What would you bring to the BOM community, and how would you benefit from us?

Please email your completed form to [louise@bom.org.uk](mailto:louise@bom.org.uk) or post it to:

BOM (Birmingham Open Media)  
1 Dudley Street  
Birmingham B5 4EG

We will contact you within one month to let you know if your expression of interest has been successful.

The selection committee for R&D residencies includes BOM's staff team, our board of directors and representatives from BOM's co-working community.
